25X1

*A recurring bank against total requirements. Subject to specific mission approval under present 303 Committee restrictions. If overflights of China continue to be stood down, the following schedule is proposed: 4 Photo [] missions to remain 20 miles off the China Mainland. This conforms to the present 303 Committee restriction of approaching no closer than 20 miles to the China Mainland.

**BUMPY ACTION missions over China are subject to specific mission approval under present 303 Committee restrictions.
